Why choose Blacksmith Freight?

Conveniently located

Our location next to London Heathrow Airport allows us to easily manage and co-ordinate air freight shipments to and from the UK.

Established 25 years

A highly experienced team who offer a very personal and bespoke service.

Customs clearance support

We'll help with all aspects of your consignment's journey – from packaging, labelling, and documentation, through to final delivery.

Competitive rates

Our competitive shipping rates can significantly reduce your logistics costs without compromising service quality.

Realtime visibility

Realtime insights that integrate with your eCommerce platform, enabling you to track every shipment from origin through to final destination.
